

September' 2021

September is a month to remember- it's the traditional back-to-school extravaganza, the end of the long summer, and the beginning of golden autumn. As the lazy days of August dwindle away, the fall months are drawing closer. Every new month feels like a bit of renewal, but there's something special about September.

"O sweet September, thy first breezes bring  
The dry leaf's rustle and the squirrel's laughter,  
The cool fresh air whence health and vigor spring  
And promise of exceeding joy hereafter."  
-George Arnold

## Message from the COO

"Action without vision is only passing time, Vision without action is merely Day dreaming, but vision with action can change the world"

Dear Parents,

Bachpan live is an educational program designed for young children to help them during pandemic. We mould kids by engaging them in number of activities which helps them to develop their skills and intelligences. This program has been designed to develop your child socially and emotionally. Bachpan live is an excellent kindergarten program which would offer your kid a variety of learning experiences that are fun and learning oriented at the same time. So let us join hands together to shape their future.

## VIRTUAL CELEBRATIONS Janmashtami

The auspicious occasion of Krishna Janamashtami was celebrated virtually to mark the birth of Lord Krishna. Kids were explained that this day signifies goodwill and the victory of good over evil. Various activities were conducted to make the celebration fun-filled.

## Rakshabandhan

To celebrate the purest bond of love and affection between brother and sister a virtual celebration was conducted by all the educators. To make this celebration joyful a RAKHI making activity was organized for the tiny-tots. This was a special kind of RAKHI in which the mosaic was made using different colourful pulses.

## Independence Day

The fervour of patriotism was celebrated online by making tricolour kites. Through this colourful activity kids were explained the importance of TRICOLORS. A PPT was displayed which showcased the importance of national symbols and images of freedom fighters. The celebration ended the feeling of patriotism.

## Ganesh Chaturthi

Festivals build group cohesiveness. Festivals enhance, educate, inform, bring people together, break the monotony of routine and give us the opportunity to re-energize our body, mind and soul. An appealing idol making activity of "Ganesha" with clay and chocolate modaks were prepared by the kids with the help of their educators.

## Pongal

A multi-day harvest festival celebrated by the Keralites was celebrated virtually to make kids aware of this festival. The importance of this festival was explained to the kids with the help of a PPT and making of colourful paper boats.

## Teacher's Day

Like all other festivals and occasions that were celebrated online, Teacher's Day too was celebrated virtually. Kids expressed their gratitude to their teachers by making beautiful cards for them.

## Saturday Blast

"All work and no play makes Jack a dull boy."

Saturday activities are those activities that are undertaken along with academic studies. They supplement the academic curriculum and help in learning by doing. Such activities help students to develop problem-solving, reasoning, critical thinking, creative thinking, communication, and collaborative abilities. So, here are the glimpse of those activities.

## Class Competitions

Competitions help students to develop and strengthen their skills. It also boosts their self-esteem and motivates them to become better. It drives students to put forth their best effort by sparking interest, passion and igniting a fire within. Let us take a sneak peek of all the competitions held for the month.

## Parenting Tips

Children have never been very good at listening to their elders, but they never failed to imitate them. So, when your child needs you to hear his/her out, keep your devices away and spend some quality time with them. This way the child feels his/her importance over the phone and the laptop. Train your kids to greet people and allow them to interact with them but under your supervision. This will help to boost their confidence and will also help in early socialization.

## Fun Facts About Giraffe

### DID YOU KNOW

GIRAFFES ONLY  
SLEEP 30 MINUTES  
IN A 24-HOUR PERIOD.

## Two Frogs with the Same Problem

Once, a group of frogs was roaming around the forest in search of water. Suddenly, two frogs in the group accidentally fell into a deep pit.

The other frogs worried about their friends in the pit. Seeing how deep the pit was, they told the two frogs that there was no way they could escape the deep pit and that there was no point in trying.

They continued to constantly discourage them as the two frogs tried to jump out of the pit. But keep falling back.

Soon, one of the two frogs started to believe the other frogs — that they'll never be able to escape the pit and eventually died after giving up.

The other frog keeps trying and eventually jumps so high that he escapes the pit. The other frogs were shocked at this and wondered how he did it.

The difference was that the second frog was deaf and couldn't hear the discouragement of the group. He simply thought they were cheering him on!

**MORAL:** People's opinion of you will affect you, only if you believe it to be so. It's better to believe in yourself.
